---

## **What is Income Tax in Pakistan?**

Income tax is a direct tax imposed on the income of individuals and businesses under the Income Tax Ordinance, 2001.

### **Key Points:**

- Applicable on salary, business income, property, and capital gains
  - Tax rates depend on income level
  - Filing annual tax returns is mandatory
  - Managed by FBR
- 

## **Our Income Tax Services**

We provide complete income tax consultancy services:

### **1. NTN Registration**

- New NTN registration for individuals & companies
- FBR IRIS account setup
- Active Taxpayer List (ATL) inclusion

### **2. Income Tax Return Filing**

- Salaried individuals tax returns
- Business tax returns
- Freelancer tax filing
- Nil return filing

### **3. Tax Planning & Advisory**

- Legal tax saving strategies
- Income tax calculation
- Investment tax planning

#### **4. Tax Audit & Compliance**

- Handling FBR notices
- Audit representation
- Documentation preparation

#### **5. Tax Refund & Appeals**

  - Filing appeals
  - Legal support
- 

## **Who Needs to File Income Tax?**

You must file income tax returns if you are:

- Salaried individual
- Business owner
- Freelancer / remote worker
- Company or partnership
- Property owner

Even if your income is below taxable limit, filing returns helps you stay compliant.

---

## **Benefits of Filing Income Tax Returns**

- ✓ Become an Active Taxpayer (Filer)
  - ✓ Lower tax rates on property & vehicles
  - ✓ Avoid penalties and legal notices
  - ✓ Improve financial credibility
  - ✓ Easy banking & visa processing
-
